

BLOOM

Vibration –
Eight Basic Forms In Nature
– The Octave –
Infinitely Repeating
Micro to Macro.

Vibration
Engineers Everything,
Ice Crystals
To Galaxies.

Our Perceptions
Torture Our Conceptions
With the Travails
Of Surface Complexity.

While
Vibrations
Create
All
Life.....Reality.....
From a Few Simple Forms.

Vibration
Is
Frequency.

Frequency
Is
Energy.

Energy
BLOOMS
In the Form of Things
Through Vibration.
